Dear Harold, 9/16/95

Enclosed is a revised copy of our paper. I have also sent one to Bill and Jerry. I believe Dennis is going to send one to Dave. We plan to submit the paper to some sociology journal. It would be a ~~real~~ real "coup" if we could also get the appendix of documents published, but that may be wishful thinking.

There is no question it can still use some work, but for the time being we plan to go with this version.

I will be in touch. Regards to Lillian.

Best,
Jerry
